1. Navigate to **Find a Case** and select **Advanced Search** under Quick Links.

2. In the **Search by Judicial Information** section, use the dropdown to select the judicial officer by which you want to search. The search results return cases that are currently assigned to the judicial officer you selected in this field.

The search results will continue to be filtered by additional criteria selected in the **Search Options**, **Case Categories**, and **Courts** fields on the **Find a Case** page.
